Dear sir,

I have been reviewing the performance of Amy over a period of 5 months and I recommend that he be promoted to the position of the army as first class. He has excellent sight skills and is one of our most decorated pilots. I am confident that he will perform well at this position level.

Talking about his achievement he was also stationed in Iraq during the second Gulf War and also received an award of honour for the exception of work he performed there.

He is well-appraised by his peers and juniors. The plane engineers have rated him highly best after reviewing the condition of the planes after each flight. Amy is one of the best pilots I have seen and has a great love for his country and job too. Therefore, I strongly recommend that he receive a promotion.

For further discussion you can call me on my given number or I can even meet you if you would prefer. Thank you

Sincere regards,
Dudley Laughlin
