Dear Father,

Thank you for being my father. I love you very much and appreciate all the time you have spent with me. I know that you have been there for me through thick and thin, both positive and negative moments. You are an excellent role model and I look up to you more than anyone else in this world.

I know that you will always be there for me when I need it, whether it is through words or action. Thank you for always being there for me.

Sincerely,  
Your son
