Dear Stephen,

It is with great pleasure that I recommend Parker Pires. I have known him for ten years.

Parker has always displayed a high degree of integrity, responsibility, and ambition. He is definitely a leader rather than a follower. In addition to his excellent scholastic accomplishments, he has proven his leadership ability by organizing a hockey league to provide young people with an opportunity to compete and learn good sportsmanship.

He is also a dependable team player. His good judgment and mature outlook ensure a logical and practical approach to his endeavours. Parker would be an asset to any organization, and I am happy to give him my wholehearted endorsement.

Sincerely,  
George Hoyt
