Dear sir,

I am the elder brother of Mark, who is arrested for driving while intoxicated. I believe the police did a good to wait on him till he arrived home. I need there to be more specifics. I am not saying this because it is my sibling Mark, but if you ask any person who is close to him, each and everyone will say emphatically that it was not such a man. I have seen him live a good life by being gentle to others. Mark has never disrespected anyone, nor has an ill temper. Mark has indeed always resolved concerns and has bailed everyone out of trouble.

He is a bright student and has always conducted himself as a responsible and mature person in the office. He has received numerous promotions for his efforts and for supporting co-workers. All Things Considered, he is treated with respect. It's a fact that he drinks alcohol, but if he chooses to do so only in moderation. Our parents have become old, and we take care of them together. It's impossible for us to give them a present before they do stupid things.

I am ready to answer any query that you might have about the mark. I am always available at 435-625-9689. Please do call if you want to have more information.

I'm confident that you can understand my concern regarding this promotion and bring my brother to justice. I am sure that you do not want to see an innocent person homeless and living a life of disgrace forever.

Regards  
Richard J. Cox
