Subject: Character Reference Letter for Apartment Rental

Dear,

I recommend Derrick Shih who has been my tenant of property 1472 Lady Bug Drive Brooklyn from 5/09/2011 up to now.

He has been paying rent on time and in case of any delays he would inform me in advance. He took good care of the property and he left it in good condition.

He is a good person with good behaviour. He relates well with other people.

Although he had this problem of playing loud music and partying late at night.

We talked about it and he rectified it very gently.

I would rent him my property again if he would choose to stay. You can reach me on this number 334-724-0639 for any clarification.

Yours sincere

Edwin J. Hicks
