Dear [Employer],

I am writing to highly recommend Adam Smithson for employment at your company. I have had the pleasure of knowing Adam for 8 years and have consistently been impressed by their character and work ethic.

I've seen Adam show me time and again he is extremely dependable and trustworthy. He takes extra steps to ensure that each task is completed to the best of their abilities, and he takes great pride in the quality of work they produce. He could easily work with a team; are courteous and generous to others, all the time furthering the needs of the task.

Adam is a thoughtful and caring individual with great talents that are respected by those around them. His specialism or integrity is widely respected, always does what he says and is recognizably genuine in their dealings.

Having worked with Adam in my company, I have no doubt that he would bring many benefits to your team and would be a valuable element of your company. I recommend him most highly for employment and take my word for it, he really has what it takes to carry out any task you ask of him.

Sincerely,
Harold Brown
