Dear [Immigration Officer],

I am writing to recommend James Lester for a green card. James is a dear friend of mine, and I have had the pleasure of getting to know them over the past 10 years. During that time, I have come to know James as a kind, honest, and hardworking individual.

James has always impressed me with their dedication to their responsibilities, whether at work or at home. They are reliable and dependable and are always willing to go the extra mile to ensure that tasks are completed to the best of their ability.

I have no doubt that he would be a valuable asset to any team or community they are a part of.

I am confident that James will benefit any place they're a part of, and I wholeheartedly endorse their application for a green card. If you have any further questions, contact me.

Sincerely,
David Garcia
