Dear sir,

Dear sir,

I am writing to you today to recommend one of the finest police officers I have ever had the pleasure of working with. Michael Stoops has been a police officer for the Police Department for 7 years, and during that time, he has consistently shown himself to be an exemplary member of law enforcement.

He is an outstanding police officer who possesses the rare ability to maintain order while also building positive relationships with the community. He truly cares about making a difference in people's lives, and this dedication is evident in everything he does.

I wholeheartedly recommend Michael for the position of police officer. He is an exemplary law enforcement professional and would be an asset to any department. If you have any questions, please do not hesitate to contact me at 803-286-777.

Sincerely,

Manuel Dennis
