Dear sir,

I, Lawrence Pate am a resident of XYZ location and work as a senior manager in ABC company. I and Lawrence have been friends with him since childhood. He is a very polite and well-behaved person. His moral character is also good. He is the main earning member of his family. If you allow him, it will bring a ray of new hope to his family. Plus, with his hard work and dedication, he'll also contribute to the growth of your country too.

Sincerely,
Curtis Scott
