Subject: Character reference letter

Your Honour,

Generating this letter, I am referring to Eric Mathews regarding his age. I would like to introduce myself as Eric Mathews, working as a manager at Raw Materials Limited. I have worked with Eric for ten years; he is an ex-colleague of mine. He is a very hard-working individual, and everyone corporations cherish is valued.

He has also had no complaints filed against him throughout his career. He is a thoughtful and helpful guy. He also contributes to news and events in the community and contributes to charity.

I was shocked to know whether he was being investigated in court. I'd be delighted to apologize on the off chance that you require assistance.

Yours sincerely,
DonaldWalker
