Subject: Probation Character Reference Letter for Frank

Dear Probation Officer,

I am writing to provide you with a character reference letter for Frank. I have known him since he was a young boy and have always found him to be reliable, responsible, and hardworking.

He has always been a good citizen and has never received any criminal records or pending charges. I believe that he would be an excellent probationer and would take his responsibilities seriously. I recommend him highly for this position.

Sincerely,
Victor Davis
