Subject – Character reference letter for child custody to mother

To whom it may concern

I Sharon lee resident of _____ is writing this character reference letter for _____ to recommend her for the custody of the concerned child. I have been her neighbor for the last 6 years and have made regular visits to her house. Furthermore, I have never found any kind of negligence on her behalf in the context of child care.

As a mother myself I find her the perfect parent for the further care of the child. She shares a very decent bonding with the child and the child also seems happy under her care. I end up my letter considering her the perfect caretaker of the child for the rest of the child's life for all the right reasons.

Thanks & regards

Sharon Lee
