Subject: Character Reference Letter for A Firefighter Job

Dear Fire Chief:

I am writing this letter on behalf of Kevin Clinton who has served honourably for the last three years with the XYZ City Volunteer Fire Department. I know that we would have been in dire straits on a number of occasions over the years were it not for the efforts of the brave firefighters who volunteer their services to back us up when we need them. In my five years serving the fire department, I have seen few firefighters who show the level of calm determination, skilful teamwork and sheer courage that I have witnessed from Kevin when faced with a fire and medical emergency. I believe he would make an excellent addition to the XYZ City Fire Department.

I am sure you remember the medal Kevin was awarded by the mayor for his skill and bravery when the twin-engine commuter aeroplane crashed on Interstate 65 in January. The Volunteer Fire Department was first on the scene. Upon arrival, Kevin approached the burning aeroplane and noted fuel leaking from the tank. He then witnessed the unconscious pilot still strapped in his seat. Kevin forcibly boarded the plane, cut the pilot's safety belts and removed him from the plane moments before an explosion engulfed the plane in flames. He then administered emergency medical treatment to the pilot, stabilizing him for transport to the nearest medical facility.

Kevin is already a certified EMT-P paramedic and has two years of experience administering emergency medical treatment to victims on the scene of fires. He has passed the Candidate Physical Ability Test (CPAT) and is prepared to sit for the written exam. Kevin has a clean driving record, a valid Class D driver's license and has passed the hearing and vision tests along with the criminal background check. It is my honour to recommend Kevin Clinton for a spot on the team of firefighters with the XYZ City Fire Department. Having known Kevin since high school I can guarantee that he is the best firefighter with the type of personal integrity that ABC City wants in the department. If you have any questions, please call me at (555)-555-5555 or email me at [email]

Sincerely,

Rodney A. White

XYZ City Fire Department
