Dear **[RECEIVER'S NAME]**,

I am writing this babysitter reference letter to recommend [APPLICANT'S NAME] for the position of babysitter that you advertised on Craigslist. I have known [APPLICANT'S NAME] for the past [DURATION], and she has worked for me in various capacities, including nanny, housekeeper, and cook. It is my pleasure to write this babysitter reference letter for her.

[CANDIDATE'S NAME] has always been a very responsible person when it comes to children. Her ability to engage children in activities while keeping them safe is commendable. She takes their safety and well-being seriously, which I believe makes her an excellent candidate for the position you are offering.

During [APPLICANT'S NAME] tenure as my babysitter, her chores included caring for three children, cooking for them, cleaning after them, ensuring that they were fed healthy meals every day, and doing their laundry. In addition to these responsibilities, she helped my children with their homework and took them to various adventurous places for fun.

I believe that [APPLICANT'S NAME] background makes her an excellent candidate for the position you are offering. She is very responsible when it comes to children and has always exhibited this trait. She takes their safety very seriously, which I think will make her a great babysitter for your family.

I hope you find my babysitter reference letter helpful. I am excited to see what opportunities are available for her next, and I wish her the best of luck in all her future undertakings. Thank you for your time and consideration.

Sincerely,
