Subject: Character Reference for Court Regarding Child Custody

Your Honor,

I, am writing this letter to you regarding child custody case#689-8889 between Alex Night and Malinda Star. I believe that Melinda should be granted full custody of the children subject to this case.

Melinda and I have been friends for 15 years. I have seen how Melinda has demonstrated love and care for her children during this time. While both parents have demonstrated good parenting, it is my opinion that Melinda would be the best for the children at this time

She is patient, and understanding, and always works hard to set a good example. Melinda has a strong bond with the children, as was evident when her daughter chose to make her the subject of her class project documentary when asked to make a film on exceptional figures.

I believe this is a testament to their close solid bond. I hope that you take her love, care, patience, and compassion for her children into consideration.

Sincerely,

David G. Wingo
