Hello,

I have known Danial for 10 years. He is my spouse's partner in a small family business; he is responsible for maintaining accounts as well as procuring materials. He has also tutored my son with his guitar lessons for the past several years.

Danial is an organized, efficient, and extremely competent person. He has excellent personal relations with people of all ages and walks of life. He also has very good communication skills, both written and verbal, that help him create a good rapport with people.

I highly recommend the name of your friend for any position or endeavour that he may pursue. He will surely prove to be a valuable asset to any organization or company.

If you have any questions regarding Danial, please do not hesitate to contact me.

Sincerely,

Herman L. Tedder
