Subject: Letter of Recommendation for Roger Wallace

Dear sir,

Dear sir,

I am a retired service officer (Inspector General of the Foreign Service). I am writing this letter to recommend Roger Wallace for admission to the United States Air Force. Because of my need for various types of assistance since my retirement, I engaged the services of Mr Roger to help me, on the recommendation of one of his professors at the graduate school of the city university of new York in which he is enrolled.

He is being working for me for one year. His tasks are manifold, including maintenance of my financial records, payments of my obligations and literary works and assisting me in the academic and literary writing that I undertake.

To perform these functions Mr Roger requires a broad education and a keen intelligence. so, I really recommend his admission to the same field. Thanking you

Regards

Paul Harper
