To,
Honourable Judge

Dear Sir,

I am writing this letter to express my support for the release of Ryan Nguyen. My name is Wendell Pena, I have met Ryan and our friendship/relationship has a strong bond. He has a solid support system because Ryan acknowledges his mistakes and he is remorseful for his past crimes, he has served more than twenty-five per cent of his sentence, he has completed all of their programs and educational requirements and has good behaviour.

I don't understand why he has not received a parole grant yet, it is my understanding that he met all of the conditions to be paroled years ago. What more do you require from Ryan, he has served sufficient time for his crimes.

Ryan has a job lined up upon his release, he has a secure home, a supportive family, and many certifications, degrees and trades that he obtained while incarcerated. Twenty-two years in prison has changed and matured Ryan_, he utilized his incarcerated time to improve himself. He has had many years to reflect on his past mistakes and is remorseful for his past actions.

Sincerely,
Wendell Pena
