Dear sir,

It has been 5 years since I have known Jonathan, as both, a close friend and colleague. I was first introduced to Jonathan when I joined SVU Health, where he was working as an employee. I am writing this reference letter with regard to his application for manager designation in this company.

Jonathan is one of the most disciplined and punctual people I've ever known. His ability to work efficiently under stressful conditions and nerve-wracking deadlines speaks volumes about his hard work, determination, and composed demeanour. During the project, he worked as the project leader and demonstrated excellent leadership skills and morale.

I would also like to add that, Jonathan is a compassionate human being with praiseworthy perseverance and ambition. I believe that he is a deserving candidate and would prove to be an indispensable asset to your organization. I thereby, strongly recommend Jonathan for the aforementioned post.

Sincerely,
Dennis Medina
Senior Manager
SVU Health
