

CHARACTER REFERENCE LETTER FOR ADOPTION

To,
Mother Superior
New land orphanage

Date: December 15, 1966

Dear Madam,

I am writing to the child adoption application of Mr and Mrs Bauman. I want to inform you that I spent about 3 weeks with this aspiring couple and after a careful conclusion, I support their application.

The couple invited me to their home and I got to see all the arrangements they have made for the child to be adopted. I told them everything regarding the activities and plans they are carrying out for their adoption. They have also decided on the school for the child.

Additionally, the relationship of the couple is also stable, they are married for the past 5 years with no issues and that is a very positive thing for adoption. Their financial status is also up to the level.

I am very much sure that the new child will get a great best environment in this family.

The child will get all the necessary things he requires to fulfil his desires.

So, I highly support their adoption application. In future, if you need any information about Mr and Mrs Bauman, I am here to share and open for any communications.

Regards
Frank Gilbreth
