Re: Permission to have a pet in my apartment

Dear Sir,

I am writing to you today to request permission to adopt a dog to join our household. As current, responsible tenants, we'd like to make every effort to assure you we'll be courteous pet owners. We would like to set up a time to discuss the conditions you have to qualify us as pet owners. At that time, we are happy to discuss any financial requirements you may have in order for us to keep a pet, as well as sign a pet agreement to highlight all of your restrictions related to pet ownership.

We promise to provide appropriate levels of exercise, attention and care for our pet. We will continue to keep a clean apartment, take into consideration our pet's interaction with neighbours and ensure our pet is properly cared for whenever we're unable to take care of it ourselves. We greatly look forward to welcoming a dog into our home and appreciate your willingness to discuss the opportunity with us. Please email me at gordenH@armyspy.com your earliest convenience so we can schedule a time to talk.

Kindly,
Gordan Hale
