Dear sir,

I wanted to take a moment to thank you for the tremendous work you have done for our Church as we continue to ascertain the possibilities of adding space to our present facility.

Your team has been very efficient and responsive, and I especially want to thank Mr Allen for your counsel and leadership in getting a plan for us to view. Your advice was appreciated, and all of the timelines have been met. In other words, you have delivered what was promised, and then some.

Yours sincerely,

Joseph Mathews
