Dear Sir,

I, Adam Drennen writing this letter to you to provide a character reference about Mr Gary potts, whom I know as a friend and as a colleague for a period of 7 years. I provide this reference in full knowledge of Mr Gary's charge of possessing a prohibited drug.

I can say with total confidence that few men have contributed to society in a way that Mr Gary has. Even though I came into his association through work, I have also known him outside it. Apart from being the brand manager at Healthy Fashion, he was also the manager at Social Activism Organization and used to attend to it on the weekends. He is kind and polite and I have never seen him even close to the influence of drugs.

I believe that there has been confusion regarding drug possession and can vouch for the right character of Mr Gary.

Thanking you
Adam Drennen
