Subject: Requesting character reference letter for Pistol Permit

Respected Sir,
With due respect and honour, it is to state that Mr David is a trustworthy employee of Wilson Cooperation Industry and recently we had started an allied project with another company. I am sending him as a security officer of my team and for this, he is needing a pistol permit bearing that he is legally eligible to keep the gun with him and I assure you that he will not misuse his gun and the authority related to it. Much obliged.

Warm Regards,
Henry Johnson
