Sub: Letter of reference for social worker

Dear Sir,

I am writing you this letter on behalf of our institution's best school of social workers to refer Elizabeth Parish as a suitable person for getting the post of a social worker at your company. she has been working in our company for 10 years as a social worker. As her colleague and senior, I am very happy to say that her communication skill is very good.

she is one of our hard-working members, who has a very good experience in this area of work.

Elizabeth has participated in various types of social reformation programs to help grow our society. She is a person with strong morals and a good sense of honesty, which have helped us in retaining the good name of our organization.

As her senior employee and colleague, I can give you assurance about her contribution to our institution. If you need any other information regarding this letter, you can contact our authorized person at any time.

Hope you will give this letter serious consideration.

Thank you very much.

Regards,

Homer E. Robertson
