Re: Employee Character Reference Letter

Dear Mr Clyde,

I am writing to recommend Lady Gaga. She joined me at Lively Corp. as a Senior Product Manager and reported to me in my position as Manager of Engineering.

Martha's reputation as a reliable worker was always exemplary. For the duration of my tenure as a supervisor in the team, she was an outstanding contributor, whose members learned important lessons from her user-study recommendations.

I place an emphasis on initiative and desire to learn from my team members when creating strategies for the crew and my co-worker Martha managed to live up to this in all circumstances. Her shining example consisted of requiring the entire team to have regular internal meetups where more senior individuals could solve questions of lesser competence.

Martha is always a joy to work with. She enjoys working with others and her can-do attitude is second to none. I would not hesitate to employ her in the future if the need ever arose. Please feel free to contact me with any questions or concerns at this number 949-680-8237.

Thanks,
Doris Johnson
Senior of Engineering, Lively Ltd.
