Your Honor,

I am writing this letter to express my deep regret for the crime I committed. I understand that I have done wrong and that I must face the consequences of my actions.

I realize that I have caused a great deal of harm to the victims and the community, and I take full responsibility for my actions. Since the incident, I have been doing my best to better myself and become a more productive member of society. I have been attending counselling sessions, attending Alcoholics Anonymous meetings, and have been working hard to get my life back on track.

I am aware that I cannot undo the harm that I caused, but I am determined to work hard to make a positive difference in my life and the lives of others. I understand that I must be punished for my actions and I am prepared to accept whatever sentence the court deems appropriate.

Thank you for taking the time to consider my letter.

Sincerely,

Geraldo Denault
