Respected sir,

I am writing this letter to the reference Antonio, who has applied for a firearms license. I have known him for the last 8 years, both as my co-worker at the workplace and as a close friend.

I can confidently say for his outstanding and clean character record. Antonio is a responsible American citizen who understands his duties well. To my knowledge, he has never been to any law violation. He has never been arrested or abused drugs or alcohol.

Antonio understands what it takes to carry a firearm and has prepared accordingly. I can be sure that you won't regret your decision later. He is a great person.

If you have any further queries, you can reach me at [mention phone number] or through an email [mention email address].

Sincerely,  
Rudolph Lopez
