Dear Sir

I am writing this reference letter for Albert whom you have known for 6 years as my brother. Although I respect the decision of the court. I am writing this letter to support the release of Albert. He has served 10 years for his crimes which is more than sufficient.

He has completed all the educational and moral programs assigned and has been on his best behaviour for quite some time.

Unfortunately, he is still not granted parole when he should have been released almost a year ago.

His family is very supportive and he needs to go back to support them as well. Serving in prison has made him a more mature and rule-abiding individual .and he will continue to be a good and ethical person once parole is granted.

For any further questions or information regarding the inmate, feel free to contact me.

Sincerely,

Brian Sellers
