Dear Board,

I am writing to request that I be given parole. I have been incarcerated for over 10 years and have done time for a number of felonies. I have also made significant contributions to my community and am eager to begin the process of rehabilitation.

I believe that I can make a positive impact on my future and would like to apply for parole as soon as possible.

I look forward to hearing from you about my application and thank you for your time.

Sincerely
Paul Phillips
