Dear sir,

I am writing to highly recommend Gloria Juarez as a teacher. I have had the pleasure of working with Jane for the past five years at XYZ Elementary School, where she has taught both third and fourth grade.

Gloria is an exceptional educator who consistently goes above and beyond to ensure that her students succeed. She has a passion for teaching and a talent for creating engaging and interactive lesson plans that keep her students motivated and engaged. Her classroom is a positive and supportive environment where all students feel valued and respected.

In addition to her teaching skills, Gloria is also a highly collaborative and dedicated team player. She is always willing to lend a helping hand to her colleagues and is deeply committed to the success of our school community. She has played a key role in implementing several successful initiatives, including a school-wide reading program and a mentorship program for new teachers.

Overall, I wholeheartedly endorse Gloria Juarez as a teacher and would highly recommend her for any teaching position. She has my highest recommendation.

Sincerely,

Eric Boucher
