Dear Honorable Judge,

I am writing to express my support for [Defendant's name]. I have known [Defendant's name] for many years as a neighbour and friend, and I can confidently say that they are a kind, caring, and responsible individual.

I have had the privilege of seeing [Defendant's name] grow and mature over the years, and I have always been impressed by their strong moral character. They have always been a positive influence in our community, and they have never been involved in any type of criminal activity to my knowledge.

I believe that [Defendant's name] would benefit from a sentence that includes probation and community service. This would enable them to continue making a positive contribution to our community, and it would help them realize that they had acted incorrectly and need to gain redemption.

I urge you to consider [Defendant's name's] character and the circumstances of this case when determining their sentence. Thank you for your time and consideration.

Sincerely,

[Your Name]
