Dear {court official},

It brings me great pleasure to speak with full confidence on behalf of David Ewing. I would not have been able to do so 5 years ago. The strides he has made toward recovery are nothing short of amazing. David has worked so hard to show that he has come out ahead in this struggle. While he knows that {drug} may always be a temptation, he has built up an arsenal of tools to fight against relapse.

Besides completing rehab, he has taken the steps of many measures. His support system is large and we all stand ready to help David.

David has also broken away from the circle of people with whom he procured and used drugs. Furthermore, he plans to move away.

I have no doubt that David can continue to move forward in a positive way.

Sincerely,

William Jacobson
